**RE: Erratum In the Matter of CMRS Market Competition, WT Docket No. 07-71**

Dear Ms. Dortch:

On May 22, 2007, AT&T timely filed Reply Comments in the above-referenced docket. Due to an error in AT&T's response to Sprint Nextel's comments, AT&T incorrectly stated that its commitment to reduce its rates for certain special access services in connection with its merger with BellSouth would continue for 48 months from Merger Closing date. The response should have read that its commitment will extend until June 30, 2010. Attached please find a corrected version of the Reply Comments. Please substitute this corrected version in the record for the version filed yesterday.

Thank you for your attention to this matter. If you have any questions, feel free to contact me.

Sincerely,

/s/ Christopher M. Heimann
